JONATHAN E. FIELDING, M.D., M.P.H. TO BE HONORED

I am pleased to inform you that Jonathan Fielding has been selected to receive the Sedgwick Medal from the American Public Health Association.

This is the highest award in the field of public health. It has been awarded every year since 1929 to an individual who has demonstrated distinguished achievements in improving public health. Dr. Fielding is one of the few sitting local health officers to ever receive this award. He will receive this honor at an awards banquet in Boston on November 5, 2006.
